## Top 100 Engineers of IBC

KUWAIT: FRONTLINERS, a service organization registered with Embassy of India, Kuwait congratulate their president Dr Abdul Razzak Rumane for being selected as one of the Top 100 Engineers-2009 of International Biographical Centre. IBC, Cambridge, UK, a leading biographical publisher has published above one and half million biographies of multi discipline elite group of people consisting of intellectuals, philosophers, artists, writers, educators, engineers, scientists, researchers, medicos, and many other professionals for past over forty years.

Out of many thousands biographies, the research and editorial department of IBC, a select few are those of individuals who have made significant enough contribution in their field to engender influence on a local, national or international basis. Dr Rumane is a celebrated engineer having received various awards and medals. His biography has been listed in Marquis Who's Who in Science and Engineering, The Barons 500-Leaders for the New Century, 500 Founders of 21st Century, 500 Leaders of Influence, Asian Admirable Achievers, amongst other listings. Dr Rumane is presently employed with an international engineering consultancy firm in Kuwait.
