### **Asif gold medal for Rumane**

Albert Schweitzer International Foundation, registered in Switzerland, Sweden, England and Spain is dedicated to humanitarian causes. Its senate has selected the candidature of Dr Abdul Razzak Rumane for decorating Albert Schweitzer Medal (ASIF). The citation for the medal is for outstanding contribution in the Electrical Engineering/Consultancy in construction projects in Kuwait. The gold medal will be presented to him during a function to be held in Singapore. Dr Abdul Razzak Rumane is the chairman of the Institution of Engineers India, Kuwait chapter. His biography is listed by various international publishers in their various titles, which complies the biographies of only those individuals who have demonstrated outstanding achievements in their own field of endeavour.
