Dr. Rumane presented book to Minister of Public Works

Dr. Abdul Razzak Rumane author of "Quality Management in Construction Projects" published by CRC Press (A Taylor & Francis Group Company), Florida, USA had privilege to meet Honorable Minister of Public Works and Minister for Parliamentary Affairs, Kuwait Dr. Fadhel Al Safar to brief him about his book which was recently released on Kuwait Soil. The minister appreciated the efforts put up by the author to share the knowledge in the form of book. Dr. Rumane presented the book to the minister and thanked him for giving an opportunity for his audience. Earlier Dr. Rumane made presentation about his book to MPW Engineers at the ministry auditorium at south surra and also at project site of Sheikh Jabar Al Sabah Hospital. The presentation was very lively. Dr. Rumane elaborated how the book will benefit construction professionals, industrialists, government, decision makers, businesses, professors, instructors, and students and said that the book is an excellent practical guide for the multitude of construction projects going on not only in Kuwait, but around the world.
